

Dear Soccer Parents,

October 2009

It is again time to register for the Mashpee Youth Soccer Organization (MYSO) Spring Soccer program. Registrations will be handled through the coaches, who will contact each player during November. A copy of the player’s birth certificate and a picture of the player (an approx. 2x2” license or passport-style) must accompany each registration. **Registrations must be submitted by December 1, 2009. Any incomplete paperwork will be returned and the player will not be registered until all paperwork is received. The deadline for uniform orders is January 1, 2010.** Play will begin in April.

The spring program is a competitive travel program, which requires a great deal of commitment. It also is not a “pay to play” league, meaning that individual playing time isn’t guaranteed, but will be at the discretion of each coach. Teams practice 2-3 times per week and games are on weekends, with travel anywhere from Orleans, the Islands, all the way to the Rhode Island border. (To learn more about our league, visit the South Coast Soccer League website at [www.scsl.org](http://www.scsl.org). There are teams in Divisions 1 and 2 from U-8 through U-19. Division 1 is very competitive and winners play for a state championship.

If there are too few players to form a team (or if a player is not placed on a team), those registration fees will be refunded. Once teams are formed and declared with the league, all registration fees are **NON-REFUNDABLE**.

The total fee to play this year will be **\$140.00** broken out as follows:

**\$80 Registration Fee (\$60.00 for each additional child)**  
**\$60.00 Complete Uniform**

**There is no longer an option to buy separate uniform pieces. If one piece needs replacement, you must order an entire uniform; however, MYSO does provide new socks each year.**

The uniform will become the property of the player and may be used in subsequent years, thereby reducing the future playing fee. It is the parent/guardian responsibility to ensure the player has a uniform each year because a player cannot play without one. Player numbers will be assigned by MYSO and are generally kept by the player each year. Player numbers will be assigned by MYSO.

Please indicate required size below, and return this letter with your registration.

**NOTE: YOUTH SIZES ARE VERY SMALL. MAKE CERTAIN TO ORDER A LARGE ENOUGH SIZE.**

I, \_\_\_\_\_, as parent/guardian have read and understand the policies and requirements listed above. I understand there is no guarantee of placement on a team or of playing time. I also understand that it’s the responsibility of me and/or my child to maintain the uniform we purchased. Failure to maintain the uniform means a new uniform must be purchased before my child can play in subsequent years.
